FREQUENTLY ASKED QUESTIONS

1. What is the CMLearning Network®?

- The CMLearning Network is part of the Commission's work to advance the ongoing education and training of both the board-certified case manager and the professional case manager through education.
- The CMLearning Network® is the Commission's learning hub and network for information about the current and future practice of high-quality, patient-centered case management services.

2. What does the CMLearning Network include?

- The learning tools of the CMLearning Network include on-line webinars, continuing education credits, Issue Briefs, Speaker's Bureau, Newsletter, our Official Journal – *CareManagement*, and educational workshops.

3. Tell me a little bit about Certification 360.

- Certification 360 is a two-day immersive learning experience led by authorized facilitators.
- The workshop is an intensive, interactive training session for both new and not-so-new case managers.
- The certification workshop is offered by CCMC on various dates and at locations around the country. Please check the schedule for a two-day immersion experience near you.

4. What kind of information will I learn at the Certification 360?

- Program description:
This two-day educational workshop will define the role of a case manager, examine psychosocial concepts and support systems, review the health care delivery system, enhance participants' communication skills, discuss challenges practice settings, review the integration of behavioral and medical care, discuss legal, ethical and practice standards, define the

essential activities implementation in the case management process and explain barriers related to culture, health literacy and other factors.

Learning Outcomes:

- Identify the role of case management in the interdisciplinary care delivery system.
 - Learn psychosocial concepts and support systems essential to case management.
 - Understand changes in the health care delivery system affecting case management.
 - Identify trends and opportunities for case management.
 - Develop enhanced communication skills.
 - Identify various practice settings and the challenges these present to the case manager.
 - Understand the integration of behavioral and medical care.
 - Learn the legal, ethical and practice standards of the case manager.
 - Define the essential activities of the case manager and how to implement them in the case management process.
 - Understand barriers to case management provision relating to culture, health literacy and other factors.
-
- You will enhance your knowledge base with practical, state-of-the art takeaways from industry experts.
 - The experience will provide information to improve your practice, expand your thinking, and boost your professional development.
 - The sessions will be led by CCMC authorized facilitators who will provide you with both the knowledge base and real-life practical applications.
 - The experience also includes interactive breakout sessions, case studies and questions to reinforce learning. The content is built around the Essential Knowledge Domains of Case Management that have been identified by CCMCs Role and Function Survey, conducted every five years to identify the evidence base and current practice in case management.

5. Who should attend the Certification 360?

- Certification 360 is structured to inform the knowledge base and practice of case management. It provides insight into the practice of case management for professionals entering or new to the practice of case management. And will refresh the knowledge base for practicing case managers. Additionally, it can assist leaders in case management to breathe new life into their training efforts.

6. Will attending Certification 360 help me to pass the CCM exam?

- As previously noted, the content is structured around the knowledge domains identified through research done by CCMC into the practice of case management. This signature workshop is intended to educate individuals interested in, or already practicing case management. As a global overview of case management, it can assist you in focusing your study to prepare for certification. Registration and attendance at this workshop session does not, in any way, guarantee that the eligibility requirements will be met, the application will be approved, or that a candidate will pass the exam, and this course is NOT required for potential candidates who are interested in taking the exam.

7. How much is the registration fee?

- The registration fee for the two-day case management immersion is \$599.00 per person.

8. What does the registration fee include?

- The registration fee is a comprehensive educational package that includes the following materials:
 - Two full days of learning from authorized facilitators.
 - A comprehensive course workbook that contains the slide presentation as well as additional supporting content covered during the course of the two-day workshop.
 - Access to the Case Management Body of Knowledge™ for one year. This is an online resource for case managers that provides detailed content and diagrams for case managers. (This retails for \$199.00)

- Access to the CCMC Practice Exam, an online resource that includes 100 retired questions to test and reinforce the learning provided. (This retails for \$79.00)
- 14 CEs awarded for CCMs, nurses, social workers and licensed mental health professionals (*Please note: you must be present for the full 2 days to receive 14 CEs*).

PLEASE NOTE: Lunch each day is included in the registration fee.
